**Life's Vision – Respect Life Week – May 8-15, 2016**

This past week has been set aside as a time to reflect on the value of human life. In our society which now tolerates abortion without qualification, the need for a continuing strong voice on behalf of babies in the womb is more important than ever. At the same time, years of killing pre-born babies has set the stage for the next assault on human life – euthanasia. **Today** you will find **Respect Life Week** offering envelopes. Your donation will help pro-life education in Manitoba.

**Quotes**

“All of us must care for life, cherish life, with tenderness and warmth, to care for life is to give oneself in tenderness and warmth for others, to have a concern in my heart for others. Caring for life from the beginning to the end. What a simple thing, what a beautiful thing. So go forth, and don't be discouraged. Care for life, it's worth it.” - **Cardinal Bergoglio (now Pope Francis) in a homily in 2005**

“When earthly existence draws to a close, it is again charity which finds the most appropriate means for enabling the elderly, especially those who can no longer look after themselves, and the terminally ill to enjoy genuinely human assistance and to receive an adequate response to their needs, in particular their anxiety and their loneliness. In these cases, the role of the family is indispensable; yet families can receive much help from Social agencies and if necessary from recourse to palliative care, taking advantage of suitable medication and social services available in public institutions or in the home.”

- **Evangelium Vitae 1995 The Gospel of Life**
