We encourage everyone in our parishes to pray for those who are sick. If you know of others who may be sick and in need of prayer, please let us know so we can include their names in our Sunday bulletin.

The Ministry Schedule for June 10th to September 2nd is included with today's bulletin. Due to the many people who will be away this summer, we have had to compromise the schedule accordingly. Those who are available will find their names appearing more often during this time period, some will have double duties, some ministries have been left vacant and, with the lack of French readers, the second reading will need to be said in English on some occasions. We ask that if a ministry needs to be filled and you are at mass to please step up and fill the ministry. We appreciate everyone's cooperation over the next few months.
