**St .Eustache “Baie St. Paul” Old Cemetery Project**

History of St. Eustache Parish started on the south bank of the Assiniboine River known as Baie St. Paul. Records indicate that 212 persons were buried on that site, however only two tombstones are indicated on the old cemetery site cairn. Four smaller cairns constructed by Mr. St. Cyr mark the four corners of the cemetery with the names of the four oldest families—Allard, Desjardins, Fleury and Leclerc. (Insert from St. Eustache Roman Catholic Church 1903-2003, Leona Painchaud)

The two north cairns are underway with repairs as one was struck down by a road accident (Autopac will cover the cost of one cairn) and the other is in need of repair due to road erosion. (Cost is \$1798.00.) Thank you to *J. Lamoureux Construction* for taking on this project.

If anyone is interested in helping out with this project, donations can be made to St. Eustache Parish under *Baie St.Paul Old Cemetery Project*. Thank you.

For info, call Lucille 204-353-2551.
