**Call for Conscience Campaign:** With the passing of euthanasia/assisted suicide legislation in Parliament in 2016, provinces are now implementing what is called "Medical Assistance in Dying" (MAID). The government of Manitoba has introduced Bill 34 to protect doctors, nurses and health professionals from having to provide or aid in the provision of MAID against their conscience. The legislature is in session in October. The time to contact your MLA is now. Copies of a template letter have been prepared and are available at the church entrance for you to address and sign. You can also use this template as a model for your own personalized letter if you prefer. The letters will then be mailed by our parish to the archdiocese for distribution directly to our MLA.

**Please note: Letters will be sent to the archdiocese this week, so if you haven't already signed a copy of the letter, this will be your last opportunity.**
