### World Mission Sunday

Every Christian shares in the mission of the Church and all should become more involved in today's missionary work. It is the responsibility of all believers to spread the Gospel. Each Christian community must "pray that the Lord's message may spread quickly, and be received with honour" (2 Thes 3.1). Members of the parish are invited to fast and pray during this week for the missionary work of the people of God. A growing understanding of the Church's mission will also encourage responsible giving to the national collection for World Mission Sunday (from which collection some of our Canadian dioceses still benefit).

**The Haircut**

A young boy had just gotten his driving permit. He asked his father, who was a devout Christian, if they could discuss the use of the car.

His father took him to his study and said to him, "I'll make a deal with you. You bring your grades up, study your Bible a little and get your hair cut and we'll talk about it."

After about a month the boy came back and again asked his father if they could discuss his use of the car. They again went to the father's study where his father said, "Son, I've been real proud of you. You have brought your grades up, you've studied your Bible diligently, but... you didn't get your hair cut!"

The young man waited a moment and replied, "You know Dad, I've been thinking about that. You know, Samson had long hair, Moses had long hair, Noah had long hair, and even Jesus had long hair...."

To which his father replied, "Yes, and they walked everywhere they went!"

**Worms**

A preacher decided that a visual demonstration would add emphasis to his Sunday sermon.

Four worms were placed into four separate jars.

The first worm was put into a container of alcohol.

The second worm was put into a container of cigarette smoke.

The third worm was put into a container of chocolate syrup.

The fourth worm was put into a container of good clean soil.

At the conclusion of the sermon, the Minister reported the following results:

The first worm in alcohol - Dead.

The second worm in cigarette smoke - Dead.

Third worm in chocolate syrup - Dead.

Fourth worm in good clean soil - Alive!

So the Minister asked the congregation - What can you learn from this demonstration?

All was quiet until a little old woman in the back quickly raised her hand and said,

"I guess as long as you drink, smoke and eat chocolate, you won't have worms!"
